Gail and Aaron both have documents they are working on getting uploaded into the docket. Can Tina provide a list?

Hi Laurel

Tina's looking through the notice and confirming documents are either in the docket or in FDMS for uploading. She's found a couple that appear to be missing....

Thanks

Sara – as you know I can't get into the top three documents in MAX because people are reviewing. I have however completed the review of the rest below are my comments of what appears to be missing. I am just referencing them by section and footnote #.

Legal – None

Introduction – FN #1

General Comments – None

WYO SIP FIP Part 2 – Footnotes #3 and 4

Modeling Section – FN #40

WYO RP Section – None

Statutory Review – None

Aaron apparently looked at the BART Section and made his comments.

Let me know if there is anything else. I am here today and tomorrow then out until the 6th.
